INTRODUCTION

The Magadh Mahila College, a **multi faculty** college, began as a Government College and today holds the pride of place as a constituent unit of **Patna University**, teaching a vastly diverse number of subjects and disciplines. Located in a beautiful campus on the edge of the holiest river in India, it stands tall in its achievements in providing quality education in an exclusive campus for women, providing myriad facilities. The college is permanently affiliated under section **12 B of U.G.C act since 1952**. It has also been accredited with **B⁺⁺ grade** by the **UGC NAAC** in November 2004.

Magadh Mahila College, the oldest girls' college in Bihar was established in the year 1946 with only 49 students. The number of students has increased many-fold since then. The college currently imparts education to more than 3000 girl students in various disciplines in the faculty of Humanities, Social Science, Science, and Commerce. The college has a large campus with an adequate green belt located at the heart of the city. The location of the college with its quality teaching, Computer education, facility for extracurricular activities including sports, music, NSS, NCC and hostel accommodation inside the campus make this college the most desired institution for girls throughout Bihar and neighbouring states.

The students of Magadh Mahila College have excelled in academics, as well as in sports and music for the last six decades. They have also brought accolades for the college with their extra ordinary performances in software engineering and I.T. sectors. Alumni of the college are holding responsible positions in many public and private sectors organizations as Doctors, Engineers, Lawyers, Academicians, Bankers, and Software Developers etc. Some of them are successful entrepreneurs too. Our alumni also represented as members of the Lok Shabha, Legislative Assembly, and Legislative Council.

Along with the Bachelor (Honours) degree courses in nine (09) disciplines in Humanities, six (06) in Social Science, five (05) in Science and B.Commerce, the college also offers **Post Graduate courses** in six (06) subjects – M.A. in Economics, M.A. in Psychology, M.A. in Home Science, M.A. in Sociology, M.Sc. in Chemistry and M.Sc. in Herbal Chemistry. Our college is the only centre in this region where teaching of Herbal Chemistry is imparted. Our college is the only centre in Patna University where a Honuors degree course in Music is being taught. PG in Music has also been proposed which will start from 2010.

The demand for the **professional courses** is ever increasing. The college administration is sensitive to the need of the society and introduces new vocational courses in each academic

session. College offers a number of professional courses under self financing scheme including Bachelor course in Computer Applications (BCA), Post Graduate Diploma in Computer Applications (PGDCA), Bachelor in Business Administration (B.B.A.) and Bachelor in Social Work (B.S.W.). We also offer various Post Graduate Diploma courses in Social Sciences e.g. P.G. Diploma in Women & Child Welfare and P.G. Diploma in Population Education.

The college is working on an ambitious project of constructing a new building for its Commerce and Management Study centre at the North-East corner of the College premises from its internal resources.

As part of introduction of **Add-on courses**, the college has been running the **Certificate Course in Computer Applications (C.I.C.)**. Large numbers of students, faculty members as well as support staff of the college are getting benefited from this course. The course is running on **No-Profit-No-Loss basis**.

The college conducts career Counselling sessions regularly and many students got selected for various positions in reputed MNCs e.g. TCS, IBM, Wipro, HDFC Bank, ICICI Bank etc. through campus placements. A new cell namely **Career Management and Counselling Cell (CMCC)** was established in December 2009 with the support of U.G.C. for the benefit of the students.

The college administration is well aware of **special needs of the less privileged sections of the society including the Scheduled Castes and Scheduled Tribes, OBC (non-creamy layer) and Minorities**. In order to fulfill the Indian Constitution's obligation for inclusiveness, which aims to ensure that the under-privileged, the poor and the minorities, get equal opportunity, the college administration launched the scheme of **Remedial Coaching at Undergraduate Level for Scheduled Castes, Scheduled Tribes, OBC and Minority Communities Students (RCC)**, with the support of U.G.C. General candidates holding BPL (Below Poverty Line) Cards issued by the Central Government/State Government, are also eligible to enroll and avail benefits of such schemes and coaching classes.

The **college library** is well stocked with more than one lakh books in various languages – English, Hindi, Sanskrit, Bengali, Maithili, Persian and Urdu. Apart from the Central Library, the College has 8 departmental libraries. Around 1500 books have been added in the library during the year 2009. Many departments maintain their own Seminar Libraries. The library services are computerized. The library subscribes to a large number of journals, magazines, periodicals and news papers. Some valuable reports such as Reserve Bank of India Report, Economic Survey, Currency and Finance Reports are available in e-book form.

The College administration motivates the faculty members to engage themselves in research activities. As such the college is having **one major research projects and five minor research projects** at present. Many research papers were published by our faculty members. Teachers have participated and presented papers in several International, National and State level conferences/ seminars/ symposium/ workshop etc. The college also conducted national level seminars and a large number of state and college level seminars and workshops. Recently we have conducted a national symposium on a very relevant social issue. A two day National Symposium on ‘**Climate Change and Sustainable Development**’ was organized on 23-24 December 2009. It was attended by large number of students, scientist, social scientist and environmentalists including many from abroad. The symposium was sponsored by the Department of Science and Technology (DST), Govt. of India and supported by Bihar council on Science and Technology, IIT Patna, Nalanda Open University and UNICEF Patna Chapter. His Excellency Shri Devanand Konwar, Hon’ble Governor of Bihar inaugurated the symposium. Many important dignitaries including Professor Shyam Lal, Vice Chancellor, Patna University, Professor Anil K Bhowmik, Director, IIT Patna, Dr Debdas Mukherjee, U.S.A. Environmental Protection Agency, Dr Rajeev Ranjan, Griffith University, Australia, Professor Ashok Ghosh and Professor Jitendra Singh, Vice Chancellor, Nalanda Open University delivered talks.

Books were also authored by our faculty members. Dr. Madhu Manjari, Contract Faculty, Department of Hindi, co-authored a book titled “Hindi Bhasha Aur Sahitya Ki Katha”, published by S.C.E.R.T., Bihar in 2009. Members of our faculty have also developed study materials for distance education courses including IGNOU, DDE of Patna University and Nalanda Open University. **Our teachers are guiding many research students perusing PhD programme.** Quite a number of them have already obtained their PhD degree under the supervision of our teachers. **The thrust areas of research are** – Nanoscience, Environmental Chemistry, Biotechnology, Herbal chemistry, Women Studies, etc. Dr Dolly Sinha, the present Principal of the college was awarded and worked on **Nano-Materials** as a **teacher fellow of the Indian Academy of Sciences**, Bangalore at the prestigious S.N. Bose National Centre for Basic Sciences, Kolkata. Two PhD students are working under her supervision - one on nano- ferroelectrics and the other on nano- magnetic materials. **Dr. Rani Azad, Head, Department of Chemistry is working on a U.G.C. sponsored major project on Herbal Medicine.**

Though the college is primarily for undergraduate studies, it had the distinction to conduct many **U.G.C. Refresher courses**: one in Home Science and two in IT and e-learning. It has been the only centre in Bihar where Refresher course in IT and e-learning is conducted.

The college functions in a democratic way. Its **Students' Central Society** is a body of students, which organizes and manages students' activities. The Secretary, Assistant Secretary, Treasurer and other members of this body are elected every year, usually in the month of February by the students of the college. **Ms Kriti Singh** was elected as the General Secretary in February 2009. She discharged her duties efficiently during the academic session 2009-10. The General Secretary and the two Assistant General Secretary is also a member of the **Students' Grievance Cell**, which takes care of students' grievances including ragging and also manages discipline inside the campus.

There are several Committees to assist the Principal to manage the activities and affairs of the college in a democratic manner. All committees were restructured and reconstituted in June 2009. Many new committees were introduced. The Advisory committee, the Development cum Finance committee, Building committee, Library committee, Magazine committee, Technical Advisory Committee, Students' Grievance Cell, Grievance Cell for teachers and staff etc are some of the few important committees.

Our teachers are also members of several **Academic and Social bodies** viz. Dr. Neera Choudhury, Head of the department of Music, is a member of Research Committee, P.G. Department of Music, L.N.M.U., Darbhanga, Dr. Arbind Kumar of department of Music, is a member of Research Committee, P.G. Department of Music, J.P. University, Chapra. Dr Aruna Choudhury, Head, Department of Maithili is a member of the Maithili Advisory Committee, Sahitya Academy, New Delhi. Dr Dharmshila Prasad, Professor, Department of Sociology was a Syndicate member of Vir Kunwar Singh University (2005 – 08). She is also a member of the Academic Council of Nalanda Open University (NOU). Dr Rani Azad was a member of the Senate of Vir Kunwar Singh University (2006-09). Ms Pushpanjali Khare is a member of the Senate of Patna University. Dr Asha Singh, Head, Department of Economics is a member of the Financial Council of Nalanda Open University.

Bihar has been the seat of learning and of culture since time immemorial. Almost every one of its districts has been unique in its own way in making a magnificent contribution to our country's heritage. The Magadh Mahila College at Patna has been consistently promoting and disseminating knowledge, culture and cuisine that are truly Bihari. Its department of Music has artists of national stature and even institutions such as the All India Radio and Doordarshan often put on shows, using the talents of the college. Eminent artists of international stature such as Pt. Hari Prasad Chaurasia, Pt. Vishwa Mohan Bhatt, Pt. Shiv Kumar Sharma, Padmashree Prabha Atre, Padmashree Shobhana Narayan and many other such distinguished artists have visited and performed in the precincts of this college. **SPIC MACAY** held its annual convention, lasting several days, at this college. Recently

Ramamurthy and Group, Katthakali exponents, Vanashree and Raja Reddi also performed in our college. Regular competitions are held to develop and encourage the talented ones in the fine arts. Every department of the college organizes large number of academic and cultural programmes the details of which is mentioned in the departmental report.

Our College celebrates “**Hindi Diwas**” every year. On 15th September 2009 Hindi Diwas was celebrated in which large number of students participated for various competitions viz. – Hindi Debate, Pronunciation, Dictation, Painting, Recitation and Essay Writing. Prof. Ram Bachan Rai, MLC, Former Head Department of Hindi, Patna University, delivered a lecture on the development of Hindi and its power to integrate the whole Nation.

In September 2009 Archana Kumari and Ragini Kumari were given Sports Honour for their excellence in International Indoor Cricket and International Throw Ball respectively. In August 2009 **Yuva Kala Sanskriti, Department of Bihar, honoured Ranjani Kumari Sinha with Sports Honour** for securing Third Place in **National Junior Karate Championship**. She was **awarded Rs.10,000/- cash and felicitated with Memento and Letter of Appreciation**. In February 2009 in Eklavya Competition at Bhagalpur our students participated in different events. In this competition Minky Sinha and Pammi Rani were honoured with **Siksha and Khel Samman by Sardar Patel Sports Foundation, Bihar** for their excellent performance in the field of Chess.

“**Study tours**” are annually organized for the students. The students of the college visited various places in Rajasthan and Agra during 17th to 26th December 2009.

Science and I.T. Society celebrated '**National Science Day**' on 28th February every year. On this occasion various science activities like Poster Presentation, Speech, Debate and Lectures are conducted.

On Sep. 16, 2009, “**Ozone Day**” was organized by Science and IT Society. The Main speaker on the occasion was Dr. Tanuja, HOD Botany, B. M. D. College, Dayalpur, B.R.A. Bihar University, Muzaffarpur. She discussed the role of International Multilateral Protocol to check the global warming. She emphasized the need to protect the Ozone Layer for protecting all live forms on the earth.

On Oct. 29-31, 2009, Centre of Bachelor Course in Business Administration organized “**Inter - Institutional Parliamentary Debate Competition**”. The programme was inaugurated by Prof. Shyam Lal, Vice-Chancellor Patna University. Prof. S. I. Ahson, Pro-Vice-Chancellor, Patna University also addressed the inaugural session. Hon'ble Justice Mridula Mishra, Judge, Patna High Court, graced the occasion as the Chief Guest and Ms. Kiran Ghai, Member, Legislative Council, Bihar, also blessed the

participants. The theme topic of round -1 of the debate was 'Poverty' and that for round -II was 'Developing Countries' respectively, while the theme of round three was 'Education'. The theme topic of semifinal round was 'Youth and Education' and the final theme was 'Right to Information'. The winner of debate competition was IIT, Patna and the runner-up was BBA, M.M. College. The team of Patna Science College was declared as the most spirited team. The best Speaker was bagged by **Spandana of IIT, Patna.**

The college is also involved in various social and extension activities. Its Department of Sociology is actively involved in ‘**AIDS awareness programme**’ which is also the Sub sub-recieipient of Tata Institute of Social Sciences “**Global Fund To Fight AIDS, Tuberculosis and Malaria**”.

To quote Lord Francis Bacon -

“studies serve for delight, for ornament and for ability”

The Magadh Mahila College has striven not only to meet these ideals but to enlighten its students with the help of its highly qualified and dedicated academic staff.

THE FOUNDER PRINCIPAL

Professor Ramola Nandi, M.A. (Economics)

Former Vice Chancellor, Patna University

Magadh Mahila College was established in 1946. At that time when educated women in Bihar were very few, this college was in search of an able Principal. Mrs. Ramola Nandi had just passed out M.A. Examination in Economics from Patna College. She was tipped for the post and in future she proved her ability and efficiency. Born on February 20, 1917 (the year in which the Patna University was established), Mrs. Nandi passed her

Matriculation Examination from Bankipore Girl's High School in 1941. She did her Intermediate classes from Calcutta University. She took her B.A. and M.A. degrees in 1945 and 1947 respectively. She went to London after getting Government Scholarship in 1952-54 and obtained degree in M.Sc. (Economics). During her tenure the college stood on strong footings and all round development of the college was impressive. The college building and two campus hostels were built in her time and Honours teaching in almost all the traditional subjects started. Discipline and cleanness in the college campus set an example for the future. She served this college for a long period of twenty-five years as Principal.

She was elevated to the post of Director, Higher Education, Bihar in 1972. She was the first woman in Bihar to hold this post. She continued there till 1973. In the meantime, she took charge of the Vice-chancellor, Patna University for a brief period (August-September 1973). She became the first woman Vice-Chancellor in Bihar. Her last official post was as Director, L.N. Mishra Institute of Economic Development and Social Change (1975-77).

She was member of several Academic and Social bodies also, such as Director, Punjab National Bank; Vice-Chairman, Woman Imdad Committee; Convener of the Committee constituted for International Women Year Celebrations; Member, Board of Directors, B.I.T., Mesra; Member, Indian Economic Association; Member, Royal Economic Society (London); Member, Institute of Public Administration (Patna Chapter); Life member, Old Students Association, University College, London and Member of several bodies of the University.

Ramola Nandi, one of the pioneers in women education in Bihar passed away in February 2002.

PROFILE OF PRESENT PRINCIPAL

Professor Dolly Sinha, M.Sc. (Physics), PhD (IIT Delhi)

Principal, Magadh Mahila College, Patna University
[Joined as Principal on June 03, 2009]

Dr Dolly Sinha has been involved in Education Service, with experience of more than 30 years. She has served at the under graduate and postgraduate levels as teaching faculty in Physics at Magadh Mahila College, Patna University and at IIT Delhi.

She is an enthusiastic, result-oriented teacher and a committed researcher. She has a large number of papers published in scholarly journals of Physics and Material Science including Journal of Applied Physics (USA). Keeping pace with time she has specialized in Computers and Nano-technology which are of enormous contemporary relevance in education and research. She has been awarded many scholarships and fellowships including the prestigious teacher fellowship of the Indian Academy of Sciences, Bangalore. She obtained her PhD degree in Physics from IIT Delhi and also worked as a U.G.C. Visiting fellow there from 1996 to 98. She has worked on nanomaterials at the prestigious S.N. Bose National Centre for Basic Sciences, Kolkata in 2006. She has attended and presented a number of research papers at various seminars, conferences and delivered invited talks. She has conducted a number of seminars, conferences, workshops and training programmes on Computers, Environment and Physical science. She has chaired a number of sessions on Nanomaterials at various conferences, symposium and seminars. She is actively involved in popularization of science and creating scientific temperament among young people.

She has varied administrative experience as Admission Incharge, Examination Controller, Hostel Superintendent, President of Science Society, member of IQAC, NAAC etc. even before joining as the Principal of the college. She has been actively involved in the development and empowering women through education. She has contributed largely in establishing the Computer department in the college and initiated Computer education for girl students in the state of Bihar. She has taken charge as the Principal of the college on June 03, 2009. During the short tenure of one and a half years as the Principal she has mobilized appreciable amount of grants from the University Grants Commission (UGC) and the Human Resource Department (HRD), Govt. of Bihar to initiate many new projects in the college. A staunch believer in inclusiveness in education, she established the Remedial Coaching Classes (RCC) and Coaching Classes for Entry into Services for S.C./ S.T./ O.B.C and Minority students in the college within one year of her joining as the Principal.

She is member of several Academic and Social bodies including the Bihar Brains Development Society, a body which works for science education and popularization in the remote parts of Bihar. She is the convener of Global Core Scientific Council of the Bihar Brains Development Society.

She seems to have the right combination of knowledge and discretion, and, tact and firmness necessary for efficient administration. Dr Sinha has an unexceptionable moral character and her unassuming modesty of bearing, commitment to work and organization is specially commended by her superiors.

ACTION PLAN

The college has been accredited B++ grade by the NAAC in November, 2004. The Internal Quality Assurance Cell (IQAC) of the college has chalked out various action plans towards quality enhancement for the period January 2009 to December 2009. Some of the major plans are as follows:

1. **UGC XIth Plan Support.**
2. **Maintenance of College Website.**
3. **Introducing new Professional Courses.**
4. **Providing impetus to Research Activities.**
5. **Conducting U.G.C. Refresher Courses.**
6. **Initiating Further Faculty Development.**
7. **Setting new goals in Computers and IT.**
8. **Maintenance of U.G.C. Resource Centre.**
9. **Improving Teaching/Learning Process.**
10. **Upgrading the Library Management System.**
11. **Establishment of –**
 - a. Remedial Coaching Centre for SC / ST / OBC (Non Creamy Layer Only) and Minority Community Students (**RCC**).
 - b. Career Management & Counselling Cell (**CMCC**).
12. **Developing Scientific Temper among Students and Teachers.**
13. **Creating awareness and involvement towards Environmental Protection.**
14. **Reforming the examination process.**
15. **Promoting sports activities.**
16. **Encouraging student participation in NCC.**

18. **Improving Health Services.**
19. **Strengthening welfare Schemes for students and support staff.**
20. **Promoting awareness and protection of Cultural Heritage.**
21. **Involving Alumni in various support services.**

Details of the plans are given under 'Major Achievements'.

MAJOR ACHIEVEMENTS

The college has been consistently achieving its mission of '**Empowering Women through Education**' in pursuance of its own vision and recommendations of the NAAC peer team contained in their report. The following are the major achievements of the college towards the action plans formulated by the IQAC in January 2005. The report for the period January 2005 to December 2007 has already been submitted. Following are the major achievements during the period January 2009 to December 2009.

1. UGC XIth PLAN SUPPORT

College prepared a number of projects and submitted to the UGC under the XIth Plan College Development and Merged Schemes. The important schemes approved by the UGC and fund allocated are as follows :

Sl.	Item / Scheme	Grant Allocated (Rs.)
1	Development Assistance For Under Graduate Education	2100000
2	Rejuvenation of Infrastructure In Old Colleges	1500000
3	Special Grant For Enhancement of Initiative For Capacity Building In Colleges	700000
4	For Remedial Coaching Centre	1100000
5	Career and Counselling Cell	500000
6	Major Research Project to Dr. Dharmshila Prasad of Department of Sociology	195200
7	Minor Research Project to Dr. Suheli of Department of Home Science	125000
8	For Conducting National Conference to Dr. Dharmshila Prasad of Department of Sociology	150000
9	Special Grant For Science Laboratories	1000000
	TOTAL (Seventy Three Lakhs Seventy Thousand Two Hundred Only)	7370200

For many of the projects mentioned above the fund is not released by the UGC till the end of December 2009. The work will be started as soon as fund will be received. Some of the projects, namely Remedial Coaching Centre (RCC) and Career Counselling Cell have been established in 2009.

2. MAINTENANCE OF COLLEGE WEB SITE

The URL of the site is – <http://www.magadhmahilacollege.org>

The college website was launched in February 2007. The Computer Applications Department of the college maintains the website for uploading information about the various activities of the college including admission notification, examination etc. The financial support is also given by the same Department. The web-site presents details of history of the college, list of courses and their structure, list of different societies and student activity programmes, detailed profile of the teachers and the various departments, list of distinguished alumni and much more. The web-site is linked to the Patna University website which furnishes the academic calendar of the university including examination schedule and on-line results. The annual report of the college is also available on the site.

Phase-wise redesigning of the college website is in the pipe-line. In the first phase dynamic pages will be provided to accommodate on-line facility for filling-up application form and during the second phase of remodeling, on-line form submission facility will be embedded.

3. INTRODUCTION OF NEW PROFESSIONAL COURSES

M.A. in Music has been proposed during 2009 and the course will commence from the academic session 2010 under self-financing scheme.

The management of the college has limited powers and depends on the University as per Patna University statutes for starting new courses. The college is constantly in touch with the University authorities and pursuing them for sanctions to start more new courses.

As part of introduction of Add-on courses, the college has been running the **Certificate Course in Computer Applications (C.I.C.)**. Large numbers of students, faculty members as well as support staff of the college are getting benefited from this course. The course is running on **No-Profit-No-Loss basis**.

4. PROVIDING IMPETUS TO RESEARCH ACTIVITIES

The College administration motivates the faculty members to engage themselves in research activities. As such the college is having **two major research projects and five minor research projects out of which six are sponsored by the U.G.C. and one by I.C.H.R.** Many research papers were published by our faculty members. Teachers have participated in large number of International, National and state level conferences/seminars/workshop etc. College has conducted several national and state level seminars and many at college level seminars and workshops. Books were also authored by our faculty members. The achievements are divided according to the following heads –

I. Research Projects and Fellowship.

A. Major Research Project.

- a. In Science.**
- b. In Social Science.**

B. Minor Research Project.

- a. In Science.**
- b. In Social Science.**

C. Fellowships/Awards Awarded.

II. Research Publications.

III. Research Work Leading To PhD Degree.

A. PhD Obtained.

B. PhD Guided.

C. PhD Registered.

IV. Participation in Seminars/Conferences/Workshop/Training Programs.

A. International Level.

B. National Level.

C. State Level.

V. Seminars / Workshops Conducted.

A. National Level.

B. State Level.

C. College Level.

VI. Books Published.

The details are given in following sections –

4.I. Research Projects and Fellowships

4.I.A. Major Research Project : THREE (03)

4.I.A.(a). Major Research project in Science : ONE (01)

1. Project Title : **An In Vitro Allelopathic Studies of Fungal Diseases and Mass Production Technology for Conservation of Fungal Antagonists.**
- Co- Investigator : **Prof Dr Rani Azad**
- Department : Chemistry.
- Principal Investigator : **Dr C. Sharfruddin**
- Project awarded by : **UGC**
- Tenure : **March 2009**

7. SETTING NEW GOALS IN COMPUTERS AND I.T.

i. Computers in Administration:

- ✚ Admission process in Computer Applications courses is computerized; admissions in B.Com., B.B.A., and all other courses are partially computerized.
- ✚ Accounts of Computer Applications courses, B.B.A., B.Com were computerized, College accounts are being computerized.

ii. Computers in Library:

- ✚ Computerized services were introduced in the respective libraries of the Computer Department as well as Commerce department.

iii. Expansion of Computer Laboratory:

- ✚ Computer Laboratory in the Computer Department was expanded and the accommodation increased to 64.
- ✚ Sociology Dept has set up a new Departmental Computer Laboratory with 15 systems.

iv. Computer Literacy Program:

- ✚ Certificate course in Computer (CIC) is being run by the Computer Department of the college on no profit-no loss basis for all the students, teachers and support staff of the college. So far 650 students and many teachers have successfully completed the course.

v. Consultancy Services:

- ✚ The Computer Department conducts the UGC Refresher Courses in **Information Technology & e-Learning** and the Laboratory session on I.T. for UGC Orientation Programme of Academic Staff College, Patna University. The best part of this course is that the students of the department help in imparting training to the teachers requesting for help during the laboratory sessions.

vi. Extension Services:

- ✚ The students of the department conduct computer training programmes for the children of class IV staff of the college from time to time.

8. UPGRADATION OF NETWORK RESOURCE CENTRE

The centre was established in November 2006 with one Pentium-IV computer along-with one printer, one scanner and other accessories. Large number of teachers and students are using

the facilities in the UGC Network Resource Centre. Proposal to upgrade the centre was prepared and submitted to UGC.

9. IMPROVING TEACHING / LEARNING PROCESS

9.A. Introduction Of New Technology in Class Rooms

Teachers are encouraged and motivated to use Computer and Internet and train themselves in conducting lectures through multimedia. Many teachers including heads of the departments e.g. Prof Dr Asha Singh Head, Dept of Economics, Prof Dr Vidya Rani, Head, Dept of Psychology, Dr Punam Singh, Head, Dept of Philosophy, Prof Dr Meera Verma, Prof Bharti Bagchi, Sri Bipul Bikash (all of Economics Dept), Dr Archana Katiyar, Dr Sonali Bose, Dr Anindita (all of Psychology Dept), Dr Usha Kumari , Dr Deepali Pal Choudhuri, Dr Dhananjay Singh, Ms Priya, Ms Mousumi Ghose, Kumari Archana, Ms Preeti Kumari (all of Chemistry Dept), Dr Rupam Sharan, Dept of Hindi completed the CIC course, conducted by the Computer Applications department of the college. Altogether 12 teachers attended the Refresher course in IT and e-Learning till date. Many senior faculty members of the college have attended Workshop on IT sponsored by UGC and conducted by our College and Patna University Computer Centre. More than 70% teachers now own personal computers.

About 70% teaching in the department of Computer Applications, 15% in B.B.A and 10% in M.A. (ECONOMICS) are carried out using multimedia. Students are encouraged to use Internet for preparing their assignments. Students of Computer Department are also presenting seminars and project work through multimedia. Students are given Internet access in the Dept of Commerce, Dept of Economics, B. B. A. and Computer Application department at nominal rates. Students also use the Internet facility at the Cyber Cafe inside the campus.

Seminars and speech contests are organized on various topics on science, environment and science related issues, in which speakers including students present their ideas through multimedia.

9.B. Restructuring and Improvement In Curriculum Design.

The syllabus of U.G. and P.G. courses in many subjects e.g. Botany, Chemistry, Zoology, Mathematics, Economics, Hindi, English, Sanskrit, Urdu, History and Sociology were restructured and revised. Main focus, while restructuring, was given on **Qualitative Change in standard of Project Work and Assignments** in various subjects for U.G. and P.G. courses including self financing and vocational courses.

It was proposed that all examinations to be conducted in 2010 should be based on the new syllabus. It was decided that Semester System for all courses should be implemented.

9.C. Feed back on Teachers Performance

- Assessment of teachers' performance by the students has become a regular feature

9.D. Provision of Special Assistance For Academic Excellence And Monitoring of Students' Performances

- Students' attendance in almost all courses has improved because of close monitoring by regular screening of attendance registers and surprise checking.
- Induction meets were arranged for all the courses at the beginning of each session in which parents were also invited along with the students. The course structure, academic calendar and other requirements were explained in detail for the benefit of the students and parents' cooperation sought, so that the structural procedure could be implemented properly.
- Parent-Teacher meet was organized annually for all subjects and their suggestions from sought for improvements in overall academic profile.
- Parents were regularly informed about their ward's performances.
- Tutorial classes were arranged in all subjects on regular basis.
- Assignments completed by the students were regularly evaluated by the teachers.
- Weekly class tests were conducted in some subjects, particularly in Physics (Hons), Mathematical Economics and Accounts.
- Two minor tests and one sent-up test in one session were conducted in BCA, BBA and PGDCA courses.
- Workshops, Group Discussions, Mock interviews, project training at other organizations were conducted.
- Screening of documentaries on population, science and technology and other relevant topics were arranged.
- Practical training through Project Work, Educational Tour and Field Work in selected courses are arranged.

9.E. Opportunities To Improve Self Esteem Of The Students

Senior students are asked to help conduct Lab classes particularly in subjects like COMPUTERS. This has tremendous effect in boosting up their confidence level.

10. UPGRADING THE LIBRARY MANAGEMENT SYSTEM

The warehouse of information that cultivates the knowledge base of future group of intellects, the center of brain power – “The Library”, is the heart of any educational institution. 12. DEVELOPING SCIENTIFIC TEMPER

12.A. Vision of The Society

The constitution of India through Art 51 A [part IV A] demands that it shall be the **fundamental duty** of every citizen of India –

- i. To protect and improve the natural environment
- ii. To develop the scientific temper and spirit of inquiry

Magadh Mahila College established a Science Society as early as in 1960, which works towards the fulfillment of our constitution's directive. The society was renamed as **Science and IT Society** in the year 2004.

12.B. Mission & Methodology

The **mission of the society** is to inculcate **scientific temperament** and propagate awareness about **latest scientific inventions** and science related issues among students and teachers. The society organizes **seminars, workshops and popular talks** on topics related to Physical Sciences, Biological Sciences, Computers & IT, developments in the field of medicine, and issues related to Environment on a regular basis. Society encourages all students and teachers to actively participate in all its programmes. It encourages students to attend seminars and conferences on science and technology and present papers. This is indeed the most vibrant among all the societies in the college. It also arranges **Career Counselling session** for the final year students. The society also conducts **visit to research and industrial organization** for selected students.

12.C. Activities of The Society

Following are the important programmes organized by the society for the period 2009 in which our teachers and students participated:

- i. Science exhibitions are arranged every year as the concluding program of the month-long activities to celebrate National Science Day, which falls on 28 of February, in which students prepare models and posters on various scientific topics and science related issues. 20. PROMOTING AND PROTECTION OF CULTURAL HERITAGE

Bihar has been the seat of learning and of culture since times immemorial. Almost every one of its districts has been unique in its own way in making a magnificent contribution to our country's heritage. The Magadh Mahila College at Patna has been consistently promoting and disseminating knowledge, culture and cuisine that are truly Bihari. Its department of Music has artists of national stature and even institutions such as the All India Radio and Doordarshan often put on shows using the talents of the college. The Sangeet Natak Academy, New Delhi has recorded and preserved the recital rendered by Dr. Neera Choudhary, Head, Department of Music, in its archive. Eminent artists of international stature such as Pt. Hari Prasad Chaurasia, Pt. Vishwamohan Bhatt, Pt. Shiv Kumar Sharma, Padmabhushan Prabha Atre, Padmabhushan Shobhana Narayan and many other such distinguished artists have visited and performed in the precincts of this college. **SPIC MACAY** organizes Concerts of various eminent Maestros in the cultural field.

Regular competitions and programmes are held to develop and encourage the talented ones in the fine arts. Students perform on Independence day (Patriotic song competition), Republic day, Annual college day, Farewell function, 'Basant Utsab' (celebrations during Swaraswati Puja and Holi festival), 'Sawan Mahotsab' (celebrations during Rainy season), Alumnae get-together etc. On these occasions students present dance drama, group dance, solo dance, music – both vocal and instrumental. Some of our students also perform on public stages. The students of Music department are very much on demand as Music teachers for Kendriya Vidyalaya (Central Schools) and other reputed schools. Our college is the only college under Patna University which offers Music (Hons) course and Post Graduation in Music.

Dr Neera Choudhury with her team of students has performed in various programmes for "All India Radio", Patna and Doordarshan in classical and sugam sangeet category.

Following are different important events :

- i. Nov. 11, 2009 : Cultural Song programme was organized by Spic MACAY in association with the Students' Central Society at college premise. The artists were Smt Padma Talwarkar, Sri Suyog Kundalkar on the Harmonium, Sri Bharat Kamat on the

Tabla, Susri Rasika Vartak for vocal support for Tanpura. Smt. Padma Talwarkar called upon some student on the music department to sing with her.

- ii. Nov. 4, 2009 : Kuchupuri Dance by Padamashree Jaya Rama Rao and Vanshree Rao conducted by Spic Macay under the banner of Students' Central Society at college premise.
- iii. July 25, 2009 : Spic MACAY organized a concert in association with Students' Central Society at college premise. Meeta Pandit, classical singer of the Gwalior gharana gave a splendid performance and kept the audience spellbound. She presented Rag Jaunpuri and Kafi Mein tappa. She was accompanied by Vinod Lela on the Table and Murad Ali on the Sarangi. Tanpura was played by Preyashi and Soni, of the Department of Music, Magadh Mahila College.

21. INVOLVING ALUMNI IN VARIOUS SUPPORT SERVICES

Alumni Association of M.M. College was established on February 15, 2004 and its first Annual Meet was organized on the same day. Presently there are about 2500 registered members in the Association. Annual meet is organized every year in which large numbers of ex- students participates and give positive suggestions for the development and expansion of the college. Alumni Meet is an annual event that helps strengthen the relationship between the ex-students and the institution. The event brings together a host of experienced, talented and capable professionals who share their experiences and expertise and brainstorm the prospective avenues for further accentuating a mutually beneficial liaison with the institution. The Alumni Meet also provides an opportunity to acknowledge the contributions and achievements of the ex-students towards their field of specialization.

21.A. Their Support Services

The money collected from the members is deposited in a separate account in the bank and is utilized for the development and strengthening the infrastructure of the college and providing financial aid to needy students of the college.
