

WORLD ENVIRONMENT DAY

5th JUNE , 2021

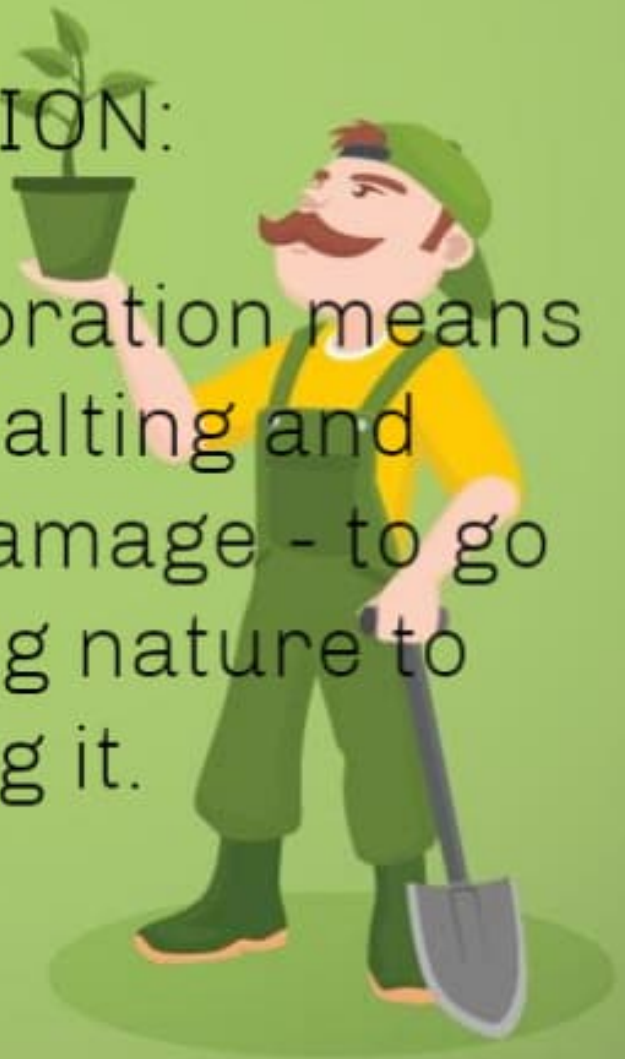

SINCE 1974, WORLD ENVIRONMENT DAY HAS BEEN CELEBRATED EVERY YEAR ON 5TH OF JUNE ENGAGING GOVERNMENTS, BUSINESSES AND CITIZENS IN AN EFFORT TO ADDRESS PRESSING ENVIRONMENTAL ISSUES.

THE THEME

The theme for this year is
**ECOSYSTEM
RESTORATION**

DEFINITION:

Ecosystem Restoration means preventing halting and reversing the damage - to go from exploiting nature to healing it.

THE HOST

Every World Environment Day is hosted by a different country in which official celebrations take place. This year's host is Pakistan.

A small presentation on the occasion of World Environment Day 2021 by the students of department of Botany.

Under the guidance of Principal and faculty members of Botany department.

MAGADH MAHILA COLLEGE
Patna University
Patna

*Our small efforts can bring
great changes.*
