# INTRODUCTION

The Magadh Mahila College, a **multi faculty** college, began as a Government College and today holds the pride of place as a constituent unit of **Patna University**, teaching a vastly diverse number of subjects and disciplines. Located in a beautiful campus on the edge of the holiest river in India, it stands tall in its achievements in providing quality education in an exclusive campus for women, providing myriad facilities. The college is permanently affiliated under section **12 B of U.G.C act since 1952**. It has also been accredited with **B<sup>++</sup> grade** by the **UGC NAAC** in November 2004.

Magadh Mahila College, the oldest girls' college in Bihar was established in the year 1946 with only 49 students. The number of students has increased many-fold since then. The college currently imparts education to more than 3000 girl students in various disciplines in the faculty of Humanities, Social Science, Science, and Commerce. The college has a large campus with an adequate green belt located at the heart of the city. The location of the college with its quality teaching, Computer education, facility for extracurricular activities including sports, music, NSS, NCC and hostel accommodation inside the campus make this college the most desired institution for girls throughout Bihar and neighbouring states.

The students of Magadh Mahila College have excelled in academics, as well as in sports and music for the last six decades. They have also brought accolades for the college with their extra ordinary performances in software engineering and I.T sectors. Alumni of the college are holding responsible positions in many public and private sectors organizations as Doctors, Engineers, Lawyers, Academicians, Bankers, Software Developers etc. Some of them are successful entrepreneurs too. Our alumni also represented as members of the Lokh shabha, Legislative Assembly, and Legislative Council.
