

Brief Introduction of MAGADH MAHILA COLLEGE

The Magadh Mahila College, a **multi faculty** college, began as a Government College and today holds the pride of place as a constituent unit of **Patna University**, teaching a vastly diverse number of subjects and disciplines. Located in a beautiful campus on the edge of the holiest river in India, it stands tall in its achievements in quality education in an exclusive campus for women, providing myriad facilities. The college is permanently affiliated under section **12 B of U.G.C act since 1952**. It has been accredited with **B⁺⁺ grade** by the **UGC NAAC** in November 2004. '**College with Potential for Excellence (CPE)**' status was accorded by the UGC on Sept 16, 2011 vide letter no F. No.12-1/2010 (NS/PE).

Magadh Mahila College, the prestigious college in Bihar for women, was established in the year 1946 with only 49 students. The number of students has increased many-fold since then. The college currently imparts education to more than 3000 girl students in various disciplines in the faculty of Humanities, Social Science, Science, and Commerce. The college has a large campus with an adequate green belt located at the heart of the city. The location of the college with its quality teaching, Computer education, facility for extracurricular activities including sports, music, NSS, NCC and hostel accommodation inside the campus make this college the most desired institution for girls throughout Bihar and neighbouring states.

The students of Magadh Mahila College have excelled in academics, as well as in sports and music for the last six decades. They have also brought accolades to the college with their extra ordinary performances in software engineering and IT sectors. The alumnae of the college are holding responsible positions in many public and private sector organizations as doctors, engineers, lawyers, academicians, bankers, software developers etc. Some of them are successful entrepreneurs too. Our alumnae have also represented Bihar as members of the Lok Sabha, Legislative Assembly, and Legislative Council. **Dr. Kiran Ghai** an alumna of this college has been elected as a member of Bihar Legislative Council for the second term (2010-2015). **Dr. Sukhada Pandey**, Former Principal was elected as MLA in the 2010 elections and joined as the Minister for Youth and Cultural Affairs, Government of Bihar.

Along with the Bachelor (Honours) degree courses in nine (09) disciplines in Humanities, six (06) in Social Science, five (05) in Science as well as B.Commerce, the college also offers **Post Graduate courses** in six (06) subjects –M.A. in Economics, M.A. in Psychology, M.A. in Home Science, M.A. in Sociology, M.Sc. in Chemistry and M.Sc. in Herbal Chemistry. **M.Sc. in Herbal Chemistry was started in the academic session 2008 under UGC innovative programme.** Our college is the only centre in this region where teaching of Herbal Chemistry is imparted. **M.A. in Music has been introduced from this academic session (2010).** Our college is also the only centre in Patna University where an Honours degree course in Music is being taught.

The demand for **professional courses** is ever increasing. The college administration is sensitive to the need of the society and introduces new vocational courses in each academic session. The college offers a number of professional courses under self financing scheme including Bachelor course in Computer Applications (BCA), Post Graduate Diploma in Computer Applications (PGDCA), Bachelor in Business Administration (BBA) and Bachelor in Social Work (BSW). We also offer various Post Graduate Diploma courses in Social Sciences e.g. PGD in Women & Child Welfare and PGD in Population Education.

The college is working on an ambitious project of constructing a multistoried new building for its Commerce and Management Study centre at the North-East corner of the college premises from its internal resources. The college has received grant from the UGC for

constructing a new Women's hostel. The project is under progress. A new hostel is coming up just beside Gargi Chhatrawas (hostel no.-I) in the north-west corner. The UGC has also approved a proposal for construction of an indoor sports complex and allocated a grant of Rs. 20 Lac for the project. The construction work will resume as soon as we receive the grant. As part of introduction of **Add-on courses**, the college has been running the **Certificate Course in Computer Applications (CIC)**. A large numbers of students, faculty members as well as support staff of the college are getting benefited from this course. The course is running on **No-Profit-No-Loss basis**.

The college conducts career counselling sessions regularly and many students were selected for various positions in reputed MNCs e.g. TCS, IBM, Wipro, HDFC Bank, ICICI Bank etc. through campus placements. A Career Counselling Cell (**CCC**), functioning for the last few years is for the benefit of the students. The cell was rejuvenated and restructured in December 2009 with the support of U.G.C. under the merged scheme. Prof. Dr Asha Singh, Head, Department of Economics is the Coordinator of the cell and Dr Surendra K. Prasad, Lecturer, Department of Botany, is the Assistant Coordinator.

The college administration is well aware of special needs of the less privileged sections of the society including the Scheduled Castes and Scheduled Tribes, OBC (non-creamy layer) and Minorities. In order to fulfill the Indian Constitution's obligation for inclusiveness which aims to ensure that the under-privileged, the poor and the minorities get equal opportunity, the college administration launched various special schemes with UGC's assistance. General category candidates holding BPL Cards (Below Poverty Line) issued by the Central Government /State Government are also enrolled and availed benefits of these coaching classes. The important among these are: **Remedial Coaching Classes (RCC)** at Undergraduate Level and **Coaching Scheme For Entry Into Services (CES)** for Scheduled Castes, Scheduled Tribes, OBC, Minority communities and poor students. Dr Telani Mina Horo of Political Science Department and Dr Kamlesh Kumari of the department of English are the Coordinator of the RCC and CES respectively. Both the schemes are supported by the UGC. **A Counselling Centre** has been set up to help students resolve various problems pertaining to academics, emotional relationships and health issues with **Dr Shashi Sharma, Head, Department of Political Science as the Coordinator of the centre**.

The **college library** is well equipped with modern technological facilities e.g. Computers, Reprographic units, Network Printers, Internet and INFLIBNET. It stocks more than one lakh books in various languages – English, Hindi, Sanskrit, Bengali, Maithili, Persian, Urdu and

on various subjects. Apart from the Central Library, the College has eight (08) departmental libraries. Many departments maintain their own Seminar Libraries. The library services are partially computerized. The library subscribes to a large number of journals, e-journals, magazines, periodicals and news papers. **Some valuable reports such as Reserve Bank of India Bulletin, Economic Survey Report, Currency and Finance Reports are available in e-book form in the Commerce Departmental Library.**

The College administration motivates the faculty members to engage themselves in research activities. As such the college is running **two major research projects and four minor research projects** at present. Many research papers have been published by our faculty members. Teachers have participated and presented papers in several International, National and State level conferences/ seminars/ symposium/ workshop etc. The college also conducted large number of seminars/workshop/symposium of national level / state level and inter-institutional activities on academic interest and social issues. A National seminar sponsored by the U.G.C. on “**Need of Social Security for Women in the Present Scenario in India**” was organized on March 11-12, 2011 by the Department of Sociology. Dr Dharmshila Prasad was the organizing secretary. The department of Physics in collaboration with Homi Bhabha Centre of Science Education, Mumbai & Atomic Energy Commission, Govt. of India conducted a two day Physics Olympiad Exposure Camp for +2 Level and College Teachers on Sept 26 -27, 2011. Dr Vijay A Singh and Dr Sirish Pathare of HBCSE acted as the Resource Persons in which 30 teachers of Undergraduate courses participated. The Department of Chemistry organized a one day National Symposium on ‘**Green Chemistry : A Key To Life**’, on 12/12/2011. Another one day workshop on “**Financial Education**” was organized by the department of economics in collaboration with the Securities and Exchange Board of India (SEBI) on 17.07.2011. A two day Second Annual National Conference on ‘**Gender Studies**’ was organized by the Department of Sociology, Magadh Mahila College, Patna University. It was sponsored by the Centre for Gender Studies, Patna, from 23/05/2011 to 24/05/2011. Another two days workshop on ‘**Learning Accounts**’ was organized by the Department of Commerce and B.B.A., Magadh Mahila College, Patna University, on 07/05/2011 and 08/05/2011.

The National Education Day was celebrated on **11th November** On this occasion renowned academician Dr. Sumanta Niyogi, Retired Professor & Head, Department of History, Patna University, delivered a talk on “Utility of Education”. The lecture was followed by an interactive session with students on “Let us make Education the Biggest Issue – Why & How? With the support of “Students Oxygen Movement, Patna.

The following important seminars and conferences have also been held -**National Conference on “State: Protector or Violator of Human Rights”**, **National Seminar on “Household food insecurity and hidden hunger (Micronutrient deficiency)”**, **National Conference on “Influence of Hindustani Classical Music on Rabindrasangeet”**, **National Conference on “Women in Science”**, **National Conference on “Role of Micro-finance (MF) in Improving the Socio -Economic Status of Women Members of Self Help Groups”** and a workshop on **“Assessment and Accreditation of Colleges by NAAC”**.

The college has also successfully organized a series of inter-institutional events like debate, speech contests, essay competitions, quiz and poster competitions to celebrate the ‘**International Year of Chemistry**’ (IYC 2011). The celebration of IYC’ 2011 concluded with a one day workshop on ‘**Green Chemistry**’, a very relevant area of current interest, on December 13, 2011.

Dr. Indu Mour, Department of Hindi, penned a collection of her poems (Kavita Sangrah) named ‘Rajghat’ in 2011. Dr. Jayashri Mishra authored "Vishwa Ka Pratham Ganatantra : Vaishali" published by Bihar Legislative Council, Govt of Bihar, 2011 -12. She also wrote a chapter on "History of Higher Education of Bihar" for the centenary collection published by Bihar Legislative Council, on the occasion of centenary year of Bihar. Various members of our faculty have also developed study materials for distance education courses including IGNOU, DDE of Patna University and Nalanda Open University (NOU).

Our teachers are guiding many research students pursuing PhD programme. Quite a number of them have already obtained their PhD degree under the supervision of our teachers. More than ten PhD theses were submitted under their guidance in 2011 and degrees awarded. **The thrust areas of research are** – Nanoscience, Environmental Chemistry, Biotechnology, Herbal Chemistry, Inclusive Growth, Microfinance, Gender Studies, Women Studies, Human Rights etc. Dr Dolly Sinha, the present Principal of the college has received an award for her work on Nano-Materials as teacher fellow of the Indian Academy of Sciences, Bangalore at the prestigious S.N. Bose National Centre for Basic Sciences, Kolkata. Two PhD students are working under her supervision - one on nano-ferroelectrics and the other on nano- magnetic materials. Dr. Rani Azad, Head, Department of Chemistry is working on a U.G.C. sponsored major project on Chemistry of Herbal and Natural products. Dr. Renu Ranjan has worked on a project titled "Identification and Documentation of Good Practices in Development Sector of Bihar”, sponsored by UNDP, Bihar (2010-2011).

Though the college is primarily for undergraduate studies, it had the distinction to conduct many **U.G.C. Refresher courses**: one in Chemistry, one in Home Science and seven in IT

and e-learning in the past. It has been the only centre in Bihar where a Refresher course in IT and e-learning is conducted. The college has so far conducted eight Refresher courses in IT and e-learning. Many senior faculty members of the college work as Resource Persons regularly for the Orientation Programme and Refresher Courses conducted by the Academic Staff College, Patna University.

The college functions in a democratic way. Its **Students' Central Society** is a body of students, which organizes and manages students' activities. The Secretary, Assistant Secretary, Treasurer and other members of this body are elected every year, usually in the month of February by the students of the college. **Ms Kriti Singh** was elected as the General Secretary in February 2009. She discharged her duties efficiently during the academic session 2009-10. She also topped the list of meritorious students in the History (Hons) examination of Patna University. **Ms Sumita Srivastava** has been elected as the General Secretary for the session 2010-11. **Ms Anupama, B.A. part II History Hons** was elected the General Secretary for the academic session 2011 -12 and took charge from Ms Sumita Srivastava. The General Secretary is the students' representative in the **Students' Grievance Redressal Cell**, which takes care of students' grievances including ragging and also manages discipline inside the campus.

Election for the student's cabinet members of the STUDENTS' CENTRAL SOCIETY was conducted on on **31st January 2012** in which Mridubala, Roll No. 13, B.A. Part – II, History Honours was elected Secretary (GS) and Pooja Kumari, Roll No. 103, B.A. Part – I, History Honours and Ruchi Kumari, Roll No. 21, BoCom. ACTION PLAN

The college has been accredited B++ grade by the NAAC in November, 2004. The process of Re-Accreditation has begun. The Internal Quality Assurance Cell (IQAC) of the college has chalked out various action plans towards quality enhancement. The IQAC, which was restructured in 2009, had identified new areas along with the earlier twenty point plan of action to strengthen and work more on these areas, since 2010. In this regard, the college administration gave highest priority to acquiring “**Center with Potential for Excellence (CPE) Status**” for the college and as a result the college was accorded this status by the UGC, New Delhi in 2011. **The college has received Rs.50,000,00/= as grant from UGC under for achieving this status.**

THE NEW ACTION PLAN

The new twenty five point plan of action is presented below:

1. **Center with Potential for Excellence (CPE) Status.**
2. **Development of Infrastructure.**
3. **Emphasising Inclusiveness in Education.**
4. **UGC Schemes under XIth Plan.**
5. **Rejuvenating Students’ Grievance Redressal Cell**
6. **Introducing new Professional Courses.**
7. **Maintenance of College Website.**
8. **Providing impetus to Research Activities.**
9. **Organizing U.G.C. Refresher Courses.**
10. **Initiating Further Faculty Development.**

11. **Setting new goals in Computers and IT.**
12. **Updation of U.G.C. Resource Centre.**
13. **Improving Teaching/Learning Process.**
14. **Upgradation of Library Management System.**
15. **Strengthening the Career Counselling and Placement Cell (CCC)**
16. **Developing Scientific Temper among Students and Teachers.**
17. **Creating awareness and involvement towards Environmental Protection.**
18. **Reforming the examination process.**
19. **Promoting sports activities.**
20. **Encouraging student participation in NCC.**
21. **Participation in extension activities including NSS activities and Co-curricular Activities.**
22. **Improving Health Services.**
23. **Strengthening Welfare Schemes for students and support staff.**
24. **Promoting awareness and protection of Cultural Heritage.**
25. **Involving Alumni and Parents in various support services.**

Details of action taken towards implementation of various plans are presented in the subsequent pages under the heading 'Major Achievements' of the college.

MAJOR ACHIEVEMENTS

The college has been consistently working towards achieving its mission of '**Empowering Women through Education**' in pursuance of its own vision and recommendations of the NAAC peer team contained in their report. The following are the major achievements of the college towards the action plans formulated by the IQAC in January 2005 and subsequently revised in 2009 for the period January 2011 to December 2011. The report for the period January 2005 to December 2010 has already been submitted. Following are the major achievements during the period **January 2011 December 2011**.

1. DEVELOPMENT OF INFRASTRUCTURE

Infrastructure Development was the prime agenda for the college in the last few years. We have been working consistently towards construction of new class rooms, laboratories, and girls' hostel, increasing computer facility and upgrading the science laboratories. Various projects (DPR) have been prepared and submitted to different agencies for financial support for development of infrastructure.

College has received allocation of grants for the following projects:

Sl.	Date	Purpose	Cheque No.	Cheque Date	Amount (Rs.)
01	17.06.11	Repair & Renovation of Main College Building	494666	30.05.11	750000.00
02	17.06.11	UG Building	494664	30.05.11	100000.00
03	17.06.11	UG Building	494665	30.05.11	300000.00

2. EMPHASISING INCLUSIVENESS IN EDUCATION

In 2010 the college administration has taken care of the **special needs of the students belonging to less privileged sections of the society including the Scheduled Castes and Scheduled Tribes, OBC (noncreamy layer) and Minorities**. For this, the college administration launched two special schemes amongst various others:

- i. **Scheme for Remedial Coaching at Undergraduate Level**
- ii. **Coaching Scheme For Entry Into Services**

These schemes were introduced with the support of UGC grants under XIth Plan merged scheme. The college has received allocation of grants for the above during 2011:

Sl.	Date	Purpose	Cheque No.	Cheque Date	Amount (Rs.)
01	17.06.11	HEPSM Component	494667	30.05.11	246342.00

3. UGC SCHEMES UNDER XI PLAN

New proposals were prepared (DPR) for allocation of funds and submitted to the UGC under College Development and Merged Schemes under XIth Plan. We are glad that almost all the projects submitted by the College have been accepted by the UGC. Following are the details of the grants received by the College under various UGC schemes:-

Total Grant Received from UGC (From 2007 to 10.01.2012)				
1	Spl. Infrastructure grant (Sc. Lab)	129729	06.03.10	1000000.00
2	Infrastructure grant PG			1040000.00
3	Infrastructure grant PG			998784.00
4	Major / Minor Research Project			1046010.00
5	Seminar / Conference			975000.00
6	Additional Grant (College Development)			1418705.00
7	Merged Scheme (MS XI)			3541142.00
8	Women's Hostel	134917	21.08.09	4000000.00
9	CPE Grant			5000000.00
			G. Total	19019641.00

For many of the projects mentioned above the funds were not released by the UGC till the end of December 2010. The work will be started as soon as funds are received. Some of the

projects, namely RCC, Entry Into Services, Career Counselling Cell etc. has been initiated in 2010.

4. REJUVENATING STUDENTS GRIEVANCE REDRESSAL CELL

The Grievance Redressal Cell for students was rejuvenated in July 2009 and new members were inducted. The cell is well represented by members from a wide spectrum of the college family including senior teachers, all Hostel superintendents, non teaching staff members and the General Secretary of students' central society. This committee addresses all type of complaints and grievances of students including RAGGING.

The cell-phone numbers of members of this committee were displayed prominently on the college and hostel notice boards, and also printed on students' hand book.

It is because of the effort and vigilance of the members of the committee that no case of ragging or any other unhappy incident took place in the campus. The members used to visit sensitive places like hostels, canteen, common room etc. frequently, in the beginning of the session in two or three groups. They interacted with the students on a personal level and counseled them. We are glad to record that a congenial and harmonious relationship prevails among the senior and junior student groups inside the campus.

5. INTRODUCTION OF NEW PROFESSIONAL COURSES

The management of the college has limited powers to introduce a new course. As per Patna University statutes, we depend on the University to obtain Chancellor's approval for starting

any new course. Sometimes it takes more than two years after conceptualization and submission of the project and documents to actually start the course.

The college is constantly in touch with the university authorities and pursuing them to get permission to start more new courses including M.C.A.

As part of introduction of Add-on courses, the college has been running the **Certificate Course in Computer Applications (C.I.C.)**. A large numbers of students, faculty members as well as support staff of the college are getting benefited from this course. The course is running on **No-Profit-No-Loss basis**.

Special attention is paid to introduce courses which have job potential. Also the course fee is restricted to be well within the affordability of students belonging to lower middle class income groups.

6. MANAGEMENT OF COLLEGE WEB SITE

The URL of the site is – <http://www.magadhmahilacollege.org>

The college website was launched in February 2007. The Computer Applications Department of the college maintains the website for uploading information about the various activities of the college including admission notification, examination etc. The department also provides partial financial support. The web-site presents details of history of the college, list of courses and their structure, list of different societies and student activity programmes, detailed profile of the teachers and the various departments, list of distinguished alumni and much more. The web-site is linked to the Patna University website which furnishes the academic calendar of the university including examination schedule and on-line results. The annual report of the college is also available on the site.

The college administration with the support of the Department of Computer Applications has chalked out a phase-wise plan to redesign and updating the website. The redesigning of the web-pages are in the process. Subsequently dynamic pages will be provided to accommodate on-line facility for filling-up application forms for various purposes. It will facilitate to create a central Data-Warehouse for the college that will maintain students' details as well as details of employees of the college.

During the second phase of remodeling, on-line form submission facility will be embedded. We have plans to provide e-library facility through our web-site which will be restricted to our students and faculty members only. Redesigning of the college website is in the pipe-line.

7. PROVIDING IMPETUS TO RESEARCH ACTIVITIES

The College administration motivates the faculty members to engage themselves in research activities. As such the college is having **two major research projects and five minor research projects out of which six are sponsored by the U.G.C. and one by I.C.H.R.** Many research papers were published by our faculty members. Teachers have participated in many National/State level conferences/seminars/workshop etc. The college has conducted many seminars, workshops, symposium, and special lectures on topics of contemporary relevance including some of national level too. Books were also authored by our faculty members.

Thrust areas of research of different departments are as follows :

1. Botany
 - a. Microbiology,
 - b. Mycology,
 - c. Plant Pathology, Palynology and Aerobiology,
 - d. Ethanobotany
2. Chemistry
 - a. Natural Product
 - b. Coordination Chemistry

- ix. Dr Anjum Fatima, Dept of Chemistry worked as Resource person for **Chemistry**.

11. NEW GOALS IN COMPUTERS AND I.T.

Following are the achievements in the area of Computers and IT.

- i. **Computers in Administration:**

- Admission process in Computer Applications courses is fully computerized. All other admissions of UG and PG including B.Com. and BBA are partially computerized.
 - Admission selection lists are made available on the college website.
 - Accounts of Computer Applications courses, PGDCA, BBA and B.Com are computerized. **The programme for disbursing of salaries to staff and contract teachers was indigenously developed by the college accountant Mr Ravi Prakash.** College accounts are maintained digitally.
- ii. **Computers in Library:**
- Computerized services were introduced in the central library and libraries of the Computer Department as well as Commerce department.
- iii. **Expansion of Computer Laboratory:**
- A new Computer Laboratory with 40 systems was made functional with all modern facilities. In the old laboratory too, the systems were replaced and updated. With this the accommodation capacity of students increased. More than 150 students can work in the computer centre at a time.
 - The department of Sociology too, has a Departmental Computer Laboratory with 15 systems, where 30 students can work at a time.
 - All science and social science departments have computers.
- iv. **Computer Literacy Program:**
- Certificate course in Computer (CIC) is being run by the Computer Department of the college on a no profit- no loss basis for all the students, teachers and support staff of the college. So far 750 students and many teachers have successfully completed the course.
- v. **Consultancy Services:**
- The Computer Department manages and conducts the U.G.C. Refresher course on IT and e-Learning. It also conducts Laboratory sessions for U.G.C. orientation courses of the Academic Staff College, Patna University. The best part of this course is that our students of this department help in imparting training to those teachers requesting for help during the laboratory sessions.
 - The Academic Staff College and the university hire the services of the faculty members of our college whenever they have to conduct any training programme on Computers and IT.

12. UPDATION OF U.G.C. RESOURCE CENTRE

The proposal for the establishment of UGC Network Resource Centre was approved by the UGC vide its letter number F-10-630/89-05 (Computer Technical) dated 03-06-2006.

The centre was established in November 2006 with one Pentium-IV computer along-with one printer, one scanner and other accessories. The centre provides Internet access to teachers and students.

DPR for the updation of the centre was prepared and submitted to the UGC in 2010. Grants have been sanctioned by the UGC under the merged scheme in the XIth plan for updating of the centre. The work will be started as soon as we receive the grant.

13. IMPROVING TEACHING / LEARNING PROCESS

The college follows a well defined teaching plan providing enough teaching hours for every subject. Special care is taken to complete the syllabi. Our students come from diverse socio economic and educational backgrounds. Despite the fact that some of them have difficulties in language proficiency, most of the students performed brilliantly in the final university examination as is clear from the performance record presented on page. 29 and page 30. In all the Post Graduate courses we have achieved 100% success. In the undergraduate courses too in subjects - Hindi, English, Urdu, Sanskrit, Philosophy, Pol Sc., Economics, Psychology, Music, Mathematics, Physics, BCA, BSW, the success rate has been 100%.

Following are the initiatives being taken to improve the teaching- learning system:

- A. Introduction of New Technology in Class Rooms**
- B. Restructuring and Improvement in Curriculum Design**
- C. Feed back on Teachers Performance**
- D. Provision of Special Assistance for Academic Excellence and Monitoring of Students' Performances**
- E. Opportunities to Improve Self Esteem of The Students.**

13.A. Introduction of New Technology in Class Rooms

Teachers are encouraged and motivated to use computers and the Internet and train themselves in conducting lectures through multimedia. Many teachers including heads of the departments e.g. Prof Dr Asha Singh Head, Dept of Economics, Prof Dr Vidya Rani, Head, Dept of Psychology, Dr Punam Singh, Head, Dept of Philosophy, Prof Dr Meera Verma, Prof Bharti Bagchi, Sri Bipul Vikash (all of Economics Dept), Dr Archana Katiyar, Dr Sonali Bose, Dr Anindita (all of Psychology Dept), Dr Usha Kumari, Dr Deepali Pal Choudhuri, Dr Dhananjay Singh, Ms Priya, Ms Mousumi Ghose, Kumari Archana, Ms Preeti Kumari (all of Chemistry Dept), Dr Rupam Sharan, Dept of Hindi completed the CIC course, conducted

by the Computer Applications department of the college. Altogether 14 teachers attended the Refresher course in IT and e-Learning till date. Many senior faculty members of the college have attended Workshop on IT sponsored by UGC and conducted by our College and Patna University Computer Centre. More than 80% teachers now own personal computers.

About 70% teaching in the department of Computer Applications, 25% in B.B.A, 20% in ECONOMICS and 10% in Sociology are carried out using multimedia. Students are encouraged to use Internet for preparing their assignments. Students of Computer Department are also presenting seminars and project work through multimedia. Students are given Internet access in the Dept of Commerce, Dept of Economics, B. B. A. and Computer Application department at nominal rates. Students also use the Internet facility at the Cyber Cafe inside the campus and at the UGC Resource centre.

Seminars and speech contests are organized on various topics on science, environment and science related issues, in which speakers including students present their ideas through multimedia.

13.B. Restructuring and Improvement in Curriculum Design.

The syllabi of U.G. and P.G. courses in many subjects e.g. Botany, Chemistry, Zoology, Mathematics, Economics, Hindi, English, Sanskrit, Urdu, History and Sociology were restructured and revised in 2008 and 2009. All examinations in 2010 were based on the new syllabus.

Qualitative changes in standards of Project Work were also made in various subjects for U.G. and P.G. courses including self financing and vocational courses- BCA, BBA, BSW, PGDCA and PGD in W & CW.

Semester system in all courses will be introduced in a phase-wise manner. Principal Dolly Sinha, PhD is one of the six member committee, which is currently formulating the requirements of semester system with the necessary documentation. The semester system will be introduced for all P.G. courses from the academic session 2012 and for U.G. courses in 2013. The syllabi of all courses are being restructured and revised, according to the requirements of the Semester system. Many senior teachers of our college e.g. Dr Asha Singh, Head, Dept of Economics, Dr Renu Ranjan, Head, Dept of Sociology, Dr Dharmshila Prasad, Professor, Dept of Sociology, Dr Jayashri Mishra, Head, Dept of History, Dr Rani Azad, Head, Dept of Chemistry, Dr Sumedha Kathuria, Head, Dept of Botany, Dr Sudharshan Chouhan, Head, Dept of Home Science, Dr Neera Chaudhury, Head, Dept of Music and Dr Dolly Sinha, Professor, Department of Physics are members of the Board of Studies (BOS) in the respective subjects and contributing constructively.

13.C. Feed back on Teachers Performance

Assessment of teachers' performance by the students has become a regular feature. For engaging Contract teachers, feedback from the students is invariably considered.

13.D. Provision of Special Assistance For Academic Excellence And Monitoring of Students' Performances

- i. Students' attendance in almost all courses has improved because of close monitoring by regular screening of attendance registers and surprise checking.
- ii. Induction meets are arranged for all the courses at the beginning of each session in which parents are also invited along with the students. The mission and vision of the institution along with the course structure, academic calendar and other requirements were explained in detail for the benefit of the students. Parents' cooperation is sought, so that the structural procedure could be implemented properly.
- iii. Parent-Teacher meets were organized annually for all subjects and suggestions sought for improvements in overall academic activities.
- iv. Parents were regularly informed about their ward's performances.
- v. Tutorial classes were arranged on regular basis.
- vi. Assignments completed by the students were regularly evaluated by the teachers.
- vii. Weekly class tests were conducted in some subjects, particularly in Physics (Hons), Mathematical Economics and Accounts.
- viii. Two minor tests and one 'sent-up' test in one session were conducted in BCA, BBA and PGDCA courses.
- ix. Sent up tests were conducted for all courses in all subjects including Hons as well as Subsidiary papers in similar patterns as the final university examination. This gives adequate practice to students.
- x. Regular Seminars, Workshops, Group Discussions, Mock interviews were conducted.
- xi. Special lectures, seminars and screening of documentaries on population, environments, consumer rights, human rights, disaster management, issues on science and technology and other relevant topics were arranged.
- xii. Practical training through Project Work, Educational Tour and Field Work were arranged.

13.E. Opportunities To Improve Self Esteem of The Students

Senior students are asked to help in conducting Lab classes particularly in subjects like COMPUTERS. It was observed that this practice has boosted up their confidence level tremendously.

14. UPGRADING THE LIBRARY MANAGEMENT SYSTEM

The warehouse of information that cultivates the knowledge base of the future group of intellects, the center of brain power – “The Library”, is the heart of any educational institution. The college has a central library with a rich collection of books on different subjects along with several other facilities which are enumerated hereunder. Moreover most of the departments have their own independent libraries. The Department of B.Com and Computer Applications have very well managed libraries having the latest books which are used extensively. Its management has been automated. A software, for running it, has been developed by the students of BCA under the able guidance of the department’s coordinator and other faculty members.

- i. Cataloguing of books is done by the Computer.
- ii. The library has the facility of Computer with printer.
- iii. A Photostat machine is there for the convenience of the students.
- iv. A number of newspapers and magazines are subscribed to, regularly for the Library (list enclosed).
- v. The 'Issue register' is kept up to date.
- vi. A Book bank facility exists for poor students.
- vii. The reading room is well furnished.
- viii. A special software for the visually challenged students is under process.

15. REJUVENATING CAREER COUNSELLING CELL

Career Management and Counselling Cell (CMCC), was established in our college in the year 2009 under UGC XIth Plan. It is functioning well under the guidance of Professor (Dr.) Asha Singh, Head, Department of Economics, who is also the coordinator of CMCC.

Its chief objective is to give proper guidance to our students to grow and develop to their maximum capacity. It also aids the students to prepare for competitive examinations such as B.P.S.C., U.P.S.C., UGC/JRF tests and also for various interviews.

Its working agenda includes the conducting of seminars on relevant topics, such as Communication Skills and Personality Development; conducting training programme on Group Discussion for the benefit of students and organizing campus Recruitment Drives by various national and international companies of repute..

The efforts of the Cell have shown fruitful results in the selection of students for various jobs in the reputed national and international companies through campus selection.

The Career Guidance Cell provides opportunities for the students with:

- i. Campus Interviews
- ii. Job Placements
- iii. Soft Skill Training
- iv. Training For Competitive and Civil Exams
- v. Career Counselling

15.A. Coaching Scheme For Entry Into Services

Coaching Scheme For Entry Into Services for SC/ST/OBC/Minority students was launched in August 2010 with Ms Kamlesh Kumari, Head, Department of English as its coordinator. Following are the main objectives of this cell :

- i. Prepare students to gain useful employment in Group 'A', 'B' and 'C' in Central Services, State Services and equivalent positions in private sector.
- ii. Orient students for particular examination conducted for selection to services such as IAS, State Public Services, Bank recruitment etc.
- iii. Focus on the specific requirements of a particular competitive examination.

16. DEVELOPING SCIENTIFIC TEMPER

16.A. Vision of The Society

The constitution of India through Art 51 A [part IV A] demands that it shall be the **fundamental duty** of every citizen of India –

- i. To protect and improve the natural environment
- ii. To develop a scientific temper and the spirit of inquiry

The Magadh Mahila College established a Science Society as early as in 1960, which works towards the fulfillment of our constitution's directive. The society was renamed as **Science and IT Society**, in the year 2004.

16.B. Mission & Methodology

The **mission of the society** is to inculcate **scientific temperament** and propagate awareness about **latest scientific inventions** and science related issues among students and teachers. The society organizes **seminars, workshops and popular talks** on topics related to Physical Sciences, Biological Sciences, Computers & IT, developments in the field of medicine, and issues related to Environment on a regular basis. The society encourages students and teachers to actively participate in all its programmes. It encourages students to attend seminars and conferences on science and technology and present papers. This is indeed the most vibrant among all the societies in the college. It also arranges **Career counseling sessions** for the final year students. The society also conducts **visits to research and industrial organizations** for selected students.

16.C. Activities of The Society

Following are a few important programmes organized by the society for the period January to December 2011 in which our teachers and students actively participated:

- i. **On 10th December 2011** Department of Zoology organized a Poster and Slogan Competition. The theme was Prevention of Oral Cancer. This programme was especially organized for those people who use tobacco. A large number of students participated in the competition. The judges were Dr. Abha Sharan, Head, Department of Physics and Dr. Sultana Yasin, Head Department of Zoology.
- ii. **On 15th September. 2011 Spot Painting Competition** on “**GREEN REVOLUTION**” was organized by the Department of Chemistry on behalf of Science and IT Society of the college.
- iii. **On 08 September, 2011 Science & IT Society** organized a **Debate Competition**. The topic for the Debate was "**The Economical Development More Important Than Protecting Environment**".

17. CREATING AWARENESS TOWARDS ENVIRONMENT

GREEN EARTH BRIGADE (GEB) is a students' body formed to create awareness among the students of the college towards protection of environment and maintenance of ecological balance.

Under the mentorship of Professor (Dr.) Sumedha Kathuria, Head, Department of Botany, different Environment Awareness Programmes are organized:-

- i. Maintaining cleanliness of the College Campus
- ii. Tree plantation in the College Campus
- iii. Environmental Awareness Drive

Its main objective is to bring awareness to the entire College Family, the value of a healthy environment.

Professor (Dr.) Sumedha Kathuria, is the President of the GEB and is assisted by Dr. Namita Kumari, Dr. Pushpanjali Khare, Dr. Surendra Prasad – Department of Botany and Dr. Telani Meena Horo, Department of Political Science. Kumari Rubana Ahmad, B.Sc. – II, Botany (Hons.), is the Secretary of the brigade.

18. REFORMING THE EXAMINATION PROCESS

In conformity with the current standards and practices in the design of question papers and evaluation procedures, several reforms have been carried out in the college:

- i. Before allowing the students to appear at the University Examination 'sent-up' tests are conducted each year at the college level in each subject and in all papers.
- ii. Periodical tests are taken to ensure a constant focus on studies.
- iii. For appearing in the University Examinations students are required to have attended at least 75% of the classes held.
- iv. An academic calendar is published and the dates are announced for the university examination of all courses, regular as well as for self financing vocational for all classes– degree **part I, II, III, M.A. /M.Sc. part I and II and various P G Diploma** courses, well in advance. All examinations of undergraduate as well as post graduate courses for the year 2010 were completed by the end of May and results published by the end of June. Sessions of all courses are maintained strictly according to the academic calendar.
- v. Computerized Roll Sheets are prepared and accordingly Seat-Plans are made. All teachers are engaged in invigilation duty during examinations.
- vi. The examinations are conducted with strict invigilation. Flying squad comprising of senior university teachers from various faculties is deputed to visit each centre to ensure that examinations are conducted impartially.
- vii. Video Photography in the examination halls was introduced to detect any malpractice.

- viii. The properly coded answer books are evaluated centrally and results are published within 45 days from the commencement of the examination.
- ix. The tabulation and publication of results are fully computerized.
- x. The results are available on the university and college web site.
- xi. CCTV Networking of the examination hall/class room are in the pipeline, for closely monitoring the examination to avoid any unfair means.

19. PROMOTING SPORTS ACTIVITIES

Students of the college participated and acquitted themselves well in various sports held at national and international level during 2010. Students took part in large number of sports competition.

25. INVOLVING ALUMNI AND PARENTS IN VARIOUS SUPPORT SERVICES

Alumni Association of M.M. College was established on February 15, 2004 and its first Annual Meet was organized on the same day. Presently there are about 2500 registered members in the Association. Annual meet is organized every year in which large numbers of ex- students participate and give positive suggestions for the development of the college. Alumni Meet is an annual event that helps strengthen the relationship between the ex-students and the institution. The event brings together a host of experienced, talented and capable professionals who share their experiences and expertise and brainstorm the prospective avenues for further accentuating a mutually beneficial liaison with the institution. The Alumni Meet also provides an opportunity to share and acknowledge the contributions and achievements of ex-students in their respective field of specializations.

'Professor Ila Mallick Scholarship' awards to Support 'educationally able but underprivileged Female Student/s' at Magadh Mahila College.

We are in touch with the **Trustees of the Kanka-Gajendra Foundation**, who agreed to sponsor one or more scholarship awards in perpetuity in memory of the late **Professor Ila Mallick**, the former head of the department of English. It is our intention that the award/s should benefit female students who are educationally able, but financially underprivileged to the extent that optimisation of their education is in jeopardy. The MOU to be signed between the parties is delayed because the approval of the university is not yet

obtained. We are hopeful that the hurdle be overcome soon and the scholarship will be instituted from the next academic session.

25.A. Their Support Services

The money collected from the members is deposited in a separate account in the bank and is utilized for the development and strengthening the infrastructure of the college and providing financial aid to needy students of the college.

Our alumnae who are in the medical profession took out time from their busy schedule to conduct counseling sessions for the students.

25.C. CONTRIBUTION OF PARENTS & GUARDIANS:

Parent-Teacher's meet has become a regular feature in almost all departments. The departments keep a record of the addresses and contact numbers of all students and their parents/guardians. Interactions with guardians help us maintain discipline in the campus. Parents are made aware of their wards' performances and limitations. Their opinion and suggestions are given due weight- age.
