Magadh Mahila College

Patna University

1. Magadh Mahila College: An Introduction

Magadh Mahila College, the pioneer institution of higher education for women in Bihar, was established in **1946**. Presently a constituent unit of Patna University, possessing a permanent affiliation under section **12B of UGC Act** since **1952**. It has been **reaccredited** with **‘A’ grade** (3.02 CGPA) by **NAAC** in **2012** imparting education to more than **4500** students in various disciplines. It has also been awarded **CPE** (Centre of Potential for Excellence) by the **UGC** in **2012**.

A **multi-faculty institution** offering Bachelor (Honours) degree courses in Humanities, Social Science, Commerce, as well as Physical and Life Sciences, the college also offers Post Graduate courses in **five** subjects. A large number of Professional Courses are also taught under self financing schemes.

Quality teaching, Computer education, facility for extracurricular activities including **Sports, Music, NSS, NCC, Science and IT Society, Students’ Counselling and Grievance Redressal Cell, Gender club, Green Earth Brigade, Red Ribbon Club, Language Lab** and **hostel** accommodation inside the campus with modern facilities. A **wi-fi** campus, green and clean environment on the bank of river Ganga add a remarkable aura to this most desirable institution for women throughout Bihar and neighboring states.

The students of Magadh Mahila College have excelled in **academics**, as well as in **sports** and **music** for the last seven decades. They have also brought accolades for the college with their extra ordinary performances in software engineering and I.T. sectors. The demand for its vocational courses is ever increasing. The college administration is sensitive to the needs of society and proposes to introduce new vocational courses in each academic session. Presently there are **five** hostels (Gargi, Maitreyi, Awantika , Vaidehi and the Welfare Hostel) inside the campus. The **Welfare Hostel** constructed by the Department of Welfare, Govt. of Bihar is meant exclusively for the students of SC/ ST and weaker sections of the society. A **new** women’s hostel

named “**Vaidehi**”, financed by the **UGC** has been completed and allotted to students from July 2015.

First floor of a new building for **P.G. Department of Economics, B.Com and Management** has also been constructed from internal resources of the college and has been functioning since 2014. Construction of Second floor is to be started very shortly from the first installment of grant received under RUSA.

An **Indoor Sports Complex** in the northern side of the main building is almost complete and will be operational within a couple of months. Process of construction of a new canteen in the campus financed from the fund provided by the **Education Minister, Bihar** has started last month. New proposal for extension of the main building with lift and ramp has been submitted to the Government of Bihar and we hope to obtain a sizeable grant to start and complete it.

As part of introduction of Add-on courses, the college has been running the Certificate **Course in Computer Application (C.I.C.)** since large number of students; faculty members as well as support staff of the college are getting benefited from this course. The course is running on No-Profit-No-Loss basis.

Short-term **Language Proficiency Course** is also running on regular basis in the **language Lab** which is well equipped with **51 computers** and **Audio- visual** facility. Latest language software is available to create proficiency among the students. This has become a very popular choice among students specially those who aspire to get a job in MNCs.

CMCC (Career Management and Counselling Cell) has been working quite successfully and efficiently since its inception in **December 2009**. Companies like TCS, WIPRO, IBM, ICICI, HDFC, Reliance, Tata AIG, HCL Pvt Ltd, C.SAP etc are regularly recruiting our students, Counselling, lectures, workshops and mock interviews are regularly organized for the benefit of students. Awareness is created among students for selecting a suitable career by inviting experts from big industrial houses and banks to motivate and guide them. In all such endeavour we give preference to meritorious and deserving students coming from less privileged sections of the society and remote rural areas.

The concept of **inclusive growth** in the entire academic and extracurricular activities is given priority. In order to fulfil the Indian Constitution's obligation for inclusiveness which aims to ensure that the under-privileged, economically weaker section of the society and minorities get equal opportunity, the college administration has launched various special schemes with UGC assistance. General candidates holding BPL Cards (Below Poverty Line) issued by the Central Government / State Government are also eligible to enrol and avail benefits of such schemes and coaching classes. The important among these are:

Scheme of **Remedial Coaching** and **Coaching for Entry Into Services** at undergraduate level for Scheduled Castes, Scheduled Tribes, OBC and Minority Community Students (**RCC and CES**) supported by the UGC are also being run .

The College administration motivates the faculty members to engage themselves in research activities. Out of **four** minor research projects **three** project reports have already been submitted in 2013 – 2014. The college is having **one** major research projects at present. Present Principal Dr Asha Singh is working as **coordinator for Bihar**, in a Central Government Project undertaken by **NUEPA, Delhi on "Diversity and Discrimination in Higher Education"**.

Many research papers have been published by our faculty members. Teachers have participated and presented papers in several International, National and State level conferences / seminars / symposium / workshop etc. In the year 2013 our college conducted one **International seminar** in collaboration with the P G department of Economics, sponsored by IHD, ICSSR, NABARD, ILO and Fredrich Stiftung Foundation on **Youth Employability: Dimensions, Priorities and Challenges**. Apart from this, **four UGC sponsored national level seminars** and a large number of state and college level seminars and workshops have also been conducted during this period.

Books of repute have been authored by our faculty members and altogether there are **105** publications during **2012 – 2015**. Member of our faculty have developed study materials for **Distance Education** courses including **IGNOU, DDE** of Patna University and **Nalanda Open University**.

College Magazine Committee is responsible for publication of **College Magazine** which is published almost every year. The articles are selected and approved by an expert Editorial board, thus maintaining the high quality of publication. **APARAJITA, SHAMBHAVI, JIGYASA** are

some of the titles of our college magazine. Our expert teachers in computer designing and graphics with assistance of some students design the cover page and total layout of the magazine.

Our teachers are also members of several **Academic** and **Social** bodies viz. Dr. Neera Choudhury, Head of the Department of Music, is a member of Research Committee, P.G. Department of Music, L.N.M.U., Darbhanga, Dr. Arbind Kumar of Department of Music, is a member of Research Committee, P.G. Department of Music, J.P. University, Chapra. Dr. Aruna Choudhury, Head, Department of Maithili is a member of the Maithili Advisory Committee, Sahitya Academy, New Delhi. Dr. Dharmshila Prasad, Professor, Department of Sociology was a Syndicate member of Vir Kunwar Singh University (2005 – 2008). She is also a member of the Academic Council of Nalanda Open University (NOU). Dr. Rani Azad was a member of the Senate of Patna University. Professor Dolly Sinha, former Principal of the college (till May 12, 2015) is a member of the Academic Council of NOU and National NAAC Committee. Professor **Asha Singh**, Principal of the College is member of various academic and non-academic bodies such as, Financial Council of Nalanda Open University, Patna University Senate, Academic Council, Patna University, Member of Selection Committee, Grameen Pratisthan Sansthan, Virauli, Bihar, Member, Patna Saheb Charitable Educational Trust, Vaishali under Bihar Private College Act 2013 and some other social organizations.

Though the college is primarily for undergraduate studies, it had the distinction to conduct several **UGC Refresher courses** for university and college teachers. The college has conducted six refresher courses on **IT and e-learning, NAAC Accreditation Process, Implementation of Semester System**. Its department of Computer Applications is the only department in the whole of Bihar and Jharkhand, which conducts **UGC Refresher course in IT**. The department also conducted several laboratory sessions on Computers for the UGC Academic Staff College for the Orientation Courses. The college has organized **Summer and Winter School Programmes** in which faculty members of various universities of Bihar were benefitted.

Considering the growing demand for foreign languages in the job market, we have started a short term **German Language Proficiency Course** which will be in two levels, each of three months duration. There is a very good response from students for enrolment in this course. In future we plan to expand it to one year duration.

Magadh Mahila College **Library** is well equipped with more than one **lakh (1, 23, and 303)** books including e-books on various topics, computers with networking and internet connection, a huge collection of periodicals, journals, magazines and daily newspapers of repute. It provides physical and digital access to materials available and remains open for the students and faculty for long hours. The library is well used and much appreciated by students and staff. In future we plan to expand it and add a fully-equipped seminar room (for 30 persons sitting capacity) inside the central library building. However most of the departments also have their own libraries which contain mostly reference books and some periodicals and journals related to respective subjects.

The Department of **Economics** has the distinction of holding an International Seminar in May 2013 and a Rural Project in collaboration with the University of Philadelphia in 2015 in which a team of P.G. students participated in Field study and submitted the Report to the Niti Aayog, Delhi.

Our **Home Science** Department frequently organizes workshops related to health of women and senior citizens, healthy food habits among children and youth, cookery / bakery competitions. Training sessions are also conducted for the students so that they can be self employed once they leave the college and do not depend upon Government jobs.

Dr. Poonam, an ad-hoc faculty of the Department of Botany was awarded project of **Women Scientist** by the **DST, Government of India** (2012-15). Project Report has already been submitted.

Many programmes related to training and skill enhancement have been organized in the campus to strengthen the '**Kaushal Vikas Yojana**' of our Prime Minister with the help of various industrial units and NGOs. A large no of our students have been benefitted by these programmes.

In November 2015, with the help of Allahabad Bank and under the '**Jan Dhan Yojana**' and '**Balika Samridhhi Yojana**' of Central government, many students of the College have been motivated and benefitted.

Students' Central Society is a body of students, which organizes and manages students' activities. The Secretary, Assistant Secretary, Treasurer and other members of this body are

elected every year, usually in the month of February every year by the students of the college. **Ms. Laxmi Roshni** was elected as the General Secretary in February **2015**. She discharged her duties efficiently during the academic session **2014 – 15**. **Ms Sonakshi** is the present General Secretary **2015-16**. The General Secretary is also a member of the Students' Grievance Cell, which takes care of students' grievances including ragging and also manages discipline inside the campus. A quarterly newsletter/magazine named **TARANGINI** is published by the **Students' Central Society** on regular basis allowing all students to share their views and express their literary and journalistic talent.

There are several committees to assist the Principal to manage the activities and affairs of the college in a democratic manner. These are the **IQAC, Advisory committee, Development cum Finance Committee, NAAC Committee, RUSA Monitoring Committee, Building Committee, Students' Grievance Cell, Staff and teachers' Grievance Cell** etc. Most of the strategic plans of the college are carried out as per the suggestions given by the **College Internal Quality Assurance Cell (IQAC)**.

The three "highly rated departments viz **Botany, Physics and Economics** have achieved a lot from the fund provided through "CPE" and the UGC. Students of these three departments have shown exemplary achievements in academics, sports, fine arts social service and almost in every field. The positive effect of financial aid provided under C P E is quite apparent on the performance of these departments.

Our **Home Science department** is the P.G. Centre of Home Science of Patna University. Organizing motivational lectures workshops, exhibitions, food competitions, poster and essay competitions marathon for some special cause etc are the regular features of this department.

The department of **Music** is the only centre in Patna University where "P.G. in Music" course has been introduced. It has artists of national stature and even institutions such as the **All India Radio** and **Doordarshan** often put on shows, using the talents of the department. Eminent artists of international stature have visited and performed in the precinct of this college under the aegis of **SPIC MACAY** and **Navras School of Performing Arts**. Regular competitions are held to develop and encourage the talented ones in performing arts.

Magadh Mahila College has a very old **Alumni Association**. Each department organizes Alumni Meet annually and College Alumni Meet is organized every year. In April 2016 Magadh Mahila College Alumni Meet was organized which was inaugurated by Smt. Mridula Sinha, Hon'ble Governor of Goa.

Subject wise **Parent-Teacher Meet (PTM)** exists in the college for smooth functioning and monitoring of the college administration. Our students frequently interact with **NGOs** like **NIDAAN, IGC, ADRI, SPIC MACAY, TARU MITRA, JEEVIKA, AASHA, KILKARI, MAHILA SAMAKHYA , OXYGEN** etc. Some of our students are also working for such NGOs and volunteering for socio-economic growth of the state.

One outstanding feature of our college is the organization of **INDUCTION MEET** to welcome and induct our freshers in the college mainstream. It is combined with the **Establishment Day** celebration of the college lasting almost for a week. Various types of academic and extra-curricular activities and events are organized on this occasion assuring the participation of our new entrants.

Bihar has been the seat of learning and culture since time immemorial. Almost every one of its districts has been unique in its own way in making a magnificent contribution to our country's heritage. The Magadh Mahila college at Patna has been consistently promoting and disseminating knowledge, culture and cuisine that are truly Bihari.

Magadh Mahila is proud of its Heritage Building (The Old Block) which is more than hundred years old. Recently an old "**Dig well**" has been found in the Northern side of the existing sports ground which has been identified by ASI dating from **Pala Period (8th-11th century)**.

To quote late **A P J Abul Kalam**, "Real education enhances the dignity of a human being and increases his or her self-respect. If only the real sense of education could be realized by each individual and carried forward in every field of human activity, the world will be so much a better place to live in".

Magadh Mahila College has striven not only to meet these ideals but to enlighten its students with the help of its well-qualified and dedicated academic staff.

8. Study term / field trip

Educational Tour (Puri to Jamshedpur) on 24th to 27th January, 2015

On 24th January, 2015 from Patna Junction at 8:10pm when we boarded South Bihar Express. We reached Tata Nagar next morning at 8:00am and then we travelled by bus to Puri which was a real enjoying session for all.

On 26th January, with the feeling of patriotism in our hearts, we visited Jagannath Temple and took the blessings of Lord Krishna.

On 27th January, our tour continued with the visit to Konark Temple which signified our rich heritage. Konark Temple is a 13th century Sun Temple.

‘SCHOOL OF MANAGEMENT, KIIT UNIVERSITY’ was our next destination. This visit gave the students idea about the foundation of this university and its mesmerizing infrastructure. The library consisting of a variety of books from various fields was acting as a pool of information and its management was another attribute to look at.

KISS- a NGO supported by KIIT was a stunning visit for all of us. It consisted of 25000 students who were set free to realise their dreams with discipline and dedication. These students gave us a pleasing welcome and entertained us by their talent.

Travelling whole night, we reached Jamshedpur next morning. At 11:00am, we welcomed our guest Vice Chancellor and he encouraged us with his golden words. Now was the time to visit XLRI, a reputed management institute.

TATA STEEL- CENTRE FOR EXCELLENCE is JRD Tata's vision, jointly managed by TATA STEEL and The Society for Promotion of Professional Excellence (SPPE). In CFE, students attended 2 sessions headed by Ranjeet Ranjan. He explained the problems in management field and its solutions giving catchy examples. This session was a boon for all management students. We also visited the gallery of Tata Steel which showed the glimpse of many success stories.

The last spot of our trip was Jubilee Park. It is also known as the Mughal Garden of Jamshedpur. The Jubilee Park is a unique gift from the man popularly known as the 'Father of Indian Industry'. The park was very attractive due to its green gardens, flower beds and fountains.

With sparkling lights in our minds, we boarded the bus to return back and reached Magadh Mahila College Campus, remembering the unforgettable moments of the trip. The tour was really successful in providing edutainment, i.e., education and entertainment. Our Coordinator, Dr. Janardan Prasad had a very important role in its success.

Educational- cum -Excursion Tour (Delhi, Manali, Simla and Banaras) on 29th October to 5th November 2015

The Department of BBA, Magadh Mahila College, Patna organized an Educational cum Excursion tour to Simla Manali, Delhi & Varanasi on 29th October, 2015. The teacher and staff members included Prof. Janardan Prasad, Ms. Satnam Kaur, Ms. Ragni Rai, Mr. Gajendra Prasad and Mr. Rajesh Kumar. The tour commenced on the 29th October, 2015 when the students boarded the train and reached New Delhi on 30th October, 2015. We visited India Gate, President House, Akshardham Temple and Sight seen of river Yamuna on reaching Manali the students took the day off for resting and rejuvenating.

On 2nd day a visit to the Hadimba Devi Temple, Vashist Temple and Tibetan.

On 3rd day the students along with the staff members visited to Rohtang Pass most famous tourist spot of Himachal Pradesh here 12 month snow is available move and play with snow is wonderful experience then we see local market of Manali.

On 4th day we went to Shimla here we did river rafting, tracking, horse riding and see the famous Church.

On 5th day the group visited the Amity Global Business School, Noida. We attend a Seminar and go to Banaras by train.

On 6th day we visited Kashi University and Local Market.

On 7th day the trip ended when the students boarded the train and reached Patna all safe and sound on the 5th November, 2015.
