## 1. Magadh Mahila College: An Introduction

Magadh Mahila College, the pioneer institution of higher education for women in Bihar, was established in **1946**. Presently a constituent unit of Patna University, possessing a permanent affiliation under section **12B of UGC Act** since **1952**. It has been reaccruited with ‘**A’ grade** (3.02 CGPA) by **NAAC** in **2012** imparting education to more than **4500** students in various disciplines. It has also been awarded **CPE** (Centre of Potential for Excellence) by the **UGC** in **2012**.

A **multi-faculty institution** offering Bachelor (Honours) degree courses in Humanities, Social Science, Commerce, as well as Physical and Life Sciences, the college also offers Post Graduate courses in **five** subjects. A large number of Professional Courses are also taught under self financing schemes.

Quality teaching, Computer education, facility for extracurricular activities including **Sports, Music, NSS, NCC, Science and IT Society, Students’ Counselling and Grievance Redressal Cell, Gender club, Green Earth Brigade, Red Ribbon Club, Language Lab** and **hostel** accommodation inside the campus with modern facilities. A **wi-fi** campus, green and clean environment on the bank of river Ganga add a remarkable aura to this most desirable institution for women throughout Bihar and neighboring states.

The students of Magadh Mahila College have excelled in **academics**, as well as in **sports** and **music** for the last seven decades. They have also brought accolades for the college with their extra ordinary performances in software engineering and I.T. sectors. The demand for its vocational courses is ever increasing. As per the demand of time, the college is sensitive to the need of the society and offers a number of professional courses under self-financing scheme as Bachelor course in Computer Applications (BCA), Post Graduate Diploma in Computer Applications (PGDCA), Bachelor in Business Administration (BBA) and Bachelor in Social Work (BSW). We also offer various Post Graduate Diploma courses in Social Sciences e.g. Post Graduate Diploma in Women & Child Welfare and Post Graduate Diploma in Population Education.

Presently there are **five** hostels (Gargi, Maitreyi, Awantika , Vaidehi and Welfare Hostel) inside the campus. The **Welfare Hostel** constructed by the Department of Welfare, Govt. of Bihar is meant exclusively for the students of SC/ ST and weaker sections of the society. A

new hostel namely “Vaidehi” Chhatrawas constructed just beside Gargi Chhatrawas (Hostel No.-I) in the north-west corner and allotted to students since July 2015.

First floor of a new building for **P.G. Department of Economics, B. Com and Management** has also been constructed from internal resources of the college and has been functioning since 2014. Construction of Second floor is to be started very shortly from the first instalment of grant received under RUSA.

An **Indoor Sports Complex** in the northern side of the main building for indoor games and sports has already been constructed. Process of construction of a new canteen in the campus financed from the fund provided by the **Education Minister, Bihar** has started. New proposal for extension of the main building with lift and ramp has been submitted to the Government of Bihar and we hope to obtain a sizeable grant to start and complete it.

As part of introduction of Add-on courses, the college has been running the **Certificate Course in Computer Application (C.I.C.)** since large number of students; faculty members as well as support staff of the college are getting benefited from this course. The course is running on No-Profit-No-Loss basis.

Short-term **Language Proficiency Course** is also running on regular basis in the **language Lab** which is well equipped with **51 computers** and **Audio- visual** facility. Latest language software is available to create proficiency among the students. This has become a very popular choice among students specially those who aspire to get a job in MNCs.

**CMCC** (Career Management and Counselling Cell) has been working quite successfully and efficiently since its inception in **December 2009**. Companies like TCS, WIPRO, IBM, ICICI, HDFC, Reliance, Tata AIG, HCL Pvt Ltd, C.SAP etc are regularly recruiting our students, Counselling, lectures, workshops and mock interviews are regularly organized for the benefit of students. Awareness is created among students for selecting a suitable career by inviting experts from big industrial houses and banks to motivate and guide them. In all such endeavour we give preference to meritorious and deserving students coming from less privileged sections of the society and remote rural areas.

The concept of **inclusive growth** in the entire academic and extracurricular activities is given priority. In order to fulfil the Indian Constitution’s obligation for inclusiveness which aims to ensure that the under-privileged, economically weaker section of the society and minorities get equal opportunity, the college administration has launched various special schemes with

UGC assistance. General candidates holding BPL Cards (Below Poverty Line) issued by the Central Government / State Government are also eligible to enrol and avail benefits of such schemes and coaching classes. The important among these are:

Scheme of **Remedial Coaching** and **Coaching for Entry Into Services** at undergraduate level for Scheduled Castes, Scheduled Tribes, OBC and Minority Community Students (**RCC and CES**) supported by the UGC are also being run .

The College administration motivates the faculty members to engage themselves in research activities. There are many major and minor research projects are going on and in a position to submit.

Many programmes related to training and skill enhancement have been organized in the campus to strengthen the '**Kaushal Vikas Yojana**' of our Prime Minister with the help of various industrial units and NGOs. A large no of our students have been benefitted by these programmes.

In November 2015, with the help of Allahabad Bank and under the '**Jan Dhan Yojana**' and '**Balika Samriddhi Yojana**' of Central government, many students of the College have been motivated and benefitted.

**Students' Central Society** is a body of students, which organizes and manages students' activities. The Secretary, Assistant Secretary, Treasurer and other members of this body are elected every year, usually in the month of February every year by the students of the college. The General Secretary is also a member of the Students' Grievance Cell IQAC Committee of the college which takes care of students' grievances including ragging and also manages discipline inside the campus. A quarterly newsletter/magazine named **TARANGINI** is

published by the **Students' Central Society** on regular basis allowing all students to share their views and express their literary and journalistic talent.

There are several committees to assist the Principal to manage the activities and affairs of the college in a democratic manner. These are the **IQAC, Advisory Committee, Development – cum-Finance Committee, NAAC Committee, RUSA Monitoring Committee, Building Committee, Students' Grievance Redressal Cell, Staff and Teachers' Grievance Redressal Cell** etc. Most of the strategic plans of the college are carried out as per the suggestions given by the **College Internal Quality Assurance Cell (IQAC)**.

The three “highly rated departments viz **Botany, Physics and Economics** have achieved a lot from the fund provided through “CPE” and the UGC. Students of these three departments have shown exemplary achievements in academics, sports, fine arts social service and almost in every field. The positive effect of financial aid provided under CPE is quite apparent on the performance of these departments.

Our **Home Science department** is the P.G. Centre of Home Science of Patna University. Organizing motivational lectures workshops, exhibitions, food competitions, poster and essay competitions marathon for some special cause etc are the regular features of this department.

The Department of **Music** is the only centre in Patna University where “P.G. in Music” course has been introduced. It has artists of national stature and even institutions such as the **All India Radio** and **Doordarshan** often put on shows, using the talents of the department. Eminent artists of international stature have visited and performed in the precinct of this college under the aegis of **SPIC MACAY** and **Navras School of Performing Arts**. The college Alumnae Association has organized Annual Meet almost every year. In April 2016 the College Alumne Meet was organized which was inaugurated by Smt. Mridula Sinha, Hon'ble Governor of Goa.

Subject wise **Parent-Teacher Meet (PTM)** organized thrice in every academic session in the college premises for smooth functioning and monitoring of the college administration. Our students frequently interact with **NGOs** like **NIDAAN, IGC, ADRI, SPIC MACAY, TARU MITRA, JEEVIKA, AASHA, KILKARI, MAHILA SAMAKHYA, OXYGEN** etc. Some of our students are also working for such NGOs and volunteering for socio-economic growth of the state.

One outstanding feature of our college is the organization of **INDUCTION MEET** to welcome and induct the fresh admitted students in the college mainstream. Various types of academic and extra-curricular activities and events are organized on this occasion assuring the participation of our new entrants.

Bihar has been the seat of learning and culture since time immemorial. Almost every one of its districts has been unique in its own way in making a magnificent contribution to our country's heritage. The Magadh Mahila College at Patna has been consistently promoting and disseminating knowledge, culture and cuisine that are truly Bihari.

Magadh Mahila is proud of its Heritage Building (The Old Block) which is more than hundred years old. Recently an old "**Dig well**" has been found in the Northern side of the existing sports ground which has been identified by ASI dating from **Pala Period (8<sup>th</sup>-11<sup>th</sup> century)**.

To quote late **A P J Abul Kalam**, "Real education enhances the dignity of a human being and increases his or her self respect. If only the real sense of education could be realized by each individual and carried forward in every field of human activity, the world will be so much a better place to live in".

Magadh Mahila College has striven not only to meet these ideals but to enlighten its students with the help of its well-qualified and dedicated academic staff.
