INNOVATIVE PROCESSES ADOPTED IN TEACHING AND LEARNING

- Use of ICT in Teaching-Learning
- Department wise Classroom Seminars/ Symposia/ Group Discussions/
 Workshops for students' Soft Skill enhancement
- Organizing Power Point Present Programmes for students
- Organizing Soft Skill Training Programmes
- Guest lectures on current / relevant issues
- Organizing and participation in Seminars, Conferences and Workshop and participation in other institution
- Quiz competition conducted by the departments
- Debate and Group Discussions conducted by departments
- Mentor system in practice

EXAMINATION / EVALUATION REFORMS INITIATED BY THE INSTITUTION

- Centralized evaluation for all courses in UG and PG
- **Coding / Decoding of Answer Books**
- Students can obtain the Photocopy of Examined Answer Books
- Re-evaluation and rechecking process is followed to give justice
- ✓ to students
- At the institution level we adopted exactly the same evaluation pattern for all Internal Examinations as followed in the University Examinations
- This practice is beneficial for students to improve their performance in the University Examinations

Release Function of Environment Policy

the state of the s

Magadh Mahila College Patna University, Patna

POLICY STATEMENT

College recognizes that it can contribute towards conservation and protection of the environment and will comply with legal and other requirements. It will prevent pollution and promote awareness of environmental responsibilities among all teachers, staff and students.

Following are the aims and objectives:

- To improve awareness and understanding of environmental issues and sustainable development in the college
- To encourage all staff and students to be active participants in environmental protection initiatives
- To work with local community, public and private sector organizations for improving the local environment and promoting Sustainable Development
- To improve energy efficiency and reduce the carbon and water footprints in the college
- Integrating environmental and sustainable principles into the college's operational procedures and promoting best practices at every level
- To make the College Campus Plastic Free
- To make the College Campus Tobacco Free
- To conduct regular Environmental Audit
- To create Environment Club where the students are sensitized on various dimensions of emerging environmental issues
- To collaborate with National and International Organizations working in the field of environmental awareness and conducting synergistic activities
- To focus on Sustainable Development Goals like:
- Affordable and Clean Energy
- Climate Action
- Life Below Water
- · Life on Land
- Clean Water and Sanitation.
 Through this Environment Policy the College aims to protect environment and to contribute towards Sustainable Development Goals of ensuring environmental sustainability.
